

Every day, you drink water.
Have you ever checked
what's NOT in it?

Water is something
everyone drinks,
so we're even more selective.

Aqua
di cocco

Mildly Alkaline pH 7.5

Zero Microplastics

Contains Low-Molecular Minerals

The water you drink every day,
made with even greater care.

01 Passed Microplastic Non-Detection Test

A safe product
that successfully passed
the microplastic
detection test.

02 pH 7.5 Mildly Alkaline Water

Our standard for good water
continues with a good heart.

For children
who deserve the purest care,
we deliver the cleanest water.

Hopeful Support
for Children
with Pediatric Cancer
and Their Families

DICOCCOSTORE 한국백혈병소아암협회

We share in the pure and warm values
of families affected by pediatric cancer.
Aqua di cocco will continue to support them
with sincerity and a warm heart.

The water you drink every day,
make a smarter choice now.
